Case Study

55 Causeway - Corby

Project Details

Client:
Smurfit Kappa

Location:
Corby

Date Completed:
2023

System Used:
Langley Felt Roofing System with 140mm Insulation

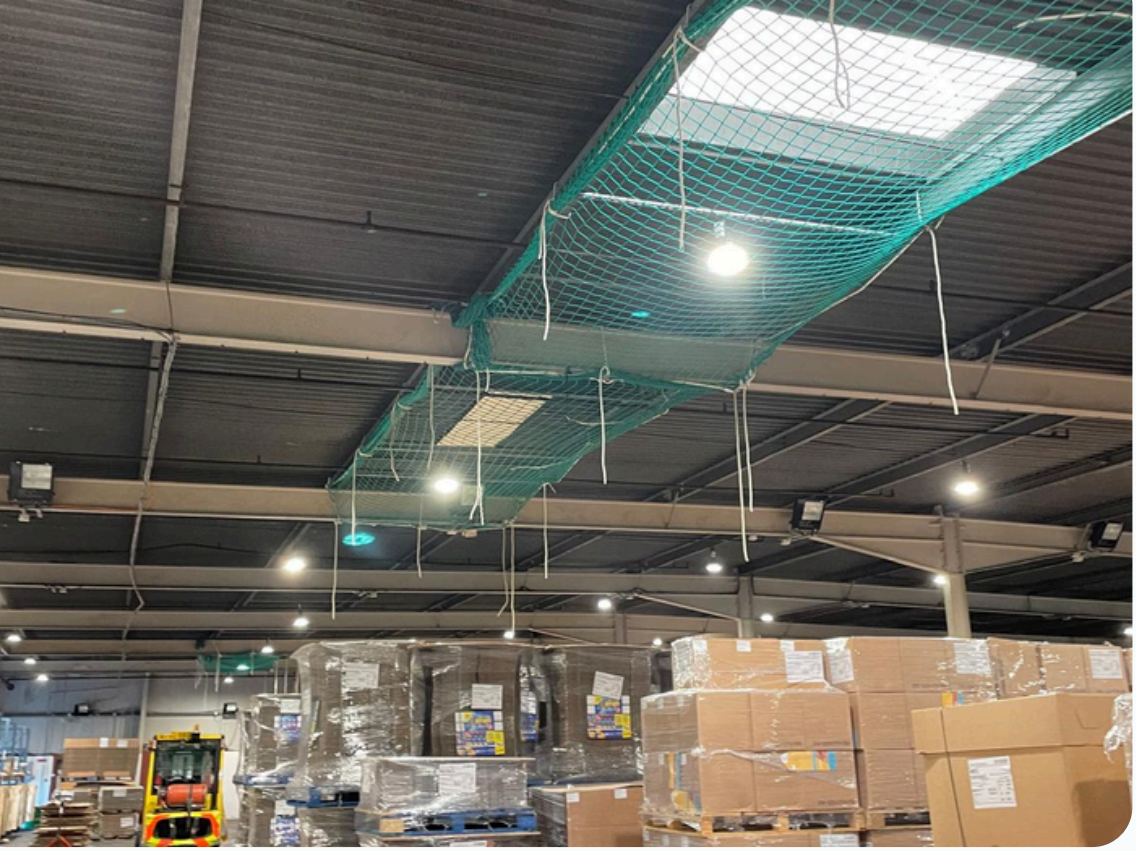

Tel: 01375 511420
contact@prclimited.co.uk

Overview

The project involved the refurbishment of approximately 1,000m² of flat roofing at an industrial unit on Causeway Road, Corby. The existing roof coverings were stripped before a new Langley felt roofing system incorporating 140mm insulation was installed.

Tel: 01375 511420
contact@prclimited.co.uk

The Challenge

The existing roof incorporated fragile rooflights, presenting an additional safety risk during the strip and refurbishment works. Safety netting was installed beneath the rooflights to protect those working at roof level and provide additional fall protection throughout the project.
